

Prezados Professores,

Segue algumas informações de como se inscrever no Programa Globe e no Workshop.

1. Você encontrará o workshop disponível em sua região através do site Globe: <https://www.globe.gov/get-trained/workshops>. Selecione e clique no link do local desejado, em seguida clique em “Register for workshop”.

Protocols

- Atmosphere - Air Temperature
- Atmosphere - Barometric Pressure
- Atmosphere - Clouds
- Atmosphere - Relative Humidity
- Atmosphere - Surface Temperature
- Hydrosphere - Mosquitoes

Contact Person: Jean Robert Batana Pires Ferreira
Email: jean.batana@ueb.gov.br
Phone:

Availability: Restricted to teachers in my region
Targeted Grade Level: Primary 3-4, Intermediate, Secondary

Further Details:
This event will be a 2-day Training workshop on Atmosphere and Hydrology in the city of São José dos Campos/SP, in which theoretical and practical activities based on the new GLOBE Mosquito Larvae Protocols and the GLOBE Observer App, developed by Globe scientists, will be conducted by Globe Master Trainers. The objective is to train Brazilian teachers during this period and engage GLOBE students in mosquito breeding site identification and destruction work to fight Zika in schools' neighborhoods.

For New Members

Workshop Registration for New Members:

If you do not have a GLOBE account, please [create a GLOBE account](#) to sign-up for the workshop. Note: You will be sent to the workshop confirmation page after the account creation process AND LOGIN process.

4. Forneça seus dados e os de sua escola.
5. Na questão “*Are you a pre-service teacher?”, o professor deve marcar não, pois esses já são professores formados.

*Are you a pre-service teacher? ?

Yes No

6. Para cadastrar a escola em “Find Your School in Our Database”, o professor deve clicar em “add your school”.

Find Your School in Our Database

Enter your school name to see if it's already part of the GLOBE network

School Name

If your school is not found you can [add your school](#) into our system:

7. Preencha os dados da sua escola no novo campo que aparece em “Add a new school”, com o nome completo da escola, endereço, cidade, telefone da escola, e nome do diretor da escola.

Add a new school

*School Name

*Address

*City

Phone Number

School Principal/Director

Select an existing School

Continue

8. **Não selecione** “Select an existing School” **se sua escola é nova no programa.** Alguns professores estão selecionando a escola “Brazil GLOBE v-School”, fazendo que os professores sejam registrados na escola aqui em Brasília. Isso não é bom para sua escola nem para o programa, pois o endereço registrado será usado para identifica a escola no mapa do Globe. Após preencher os dados do professor e da escola, clique em “continue”.
9. Na nova tela, verifique os seus dados e criar uma senha de acesso. Guarde essa senha em um local seguro, pois a mesma será utilizada após o workshop para inserir os dados coletados no sistema. Então selecione “create account” para criar a conta no Globe.

Select a Password

*Password
 Your password must be at least 8 characters long; a minimum of 1 uppercase character; a minimum of 1 numeric character.
